Survey of Carers

Funded by NIHR | National Institute for Health and Care Research

Centre for Care

University of Sheffield

University of Birmingham

Your Voice Matters

If you’re an unpaid carer, the Survey of Carers is your chance to tell the Government what support you need.

Unpaid care can look like:

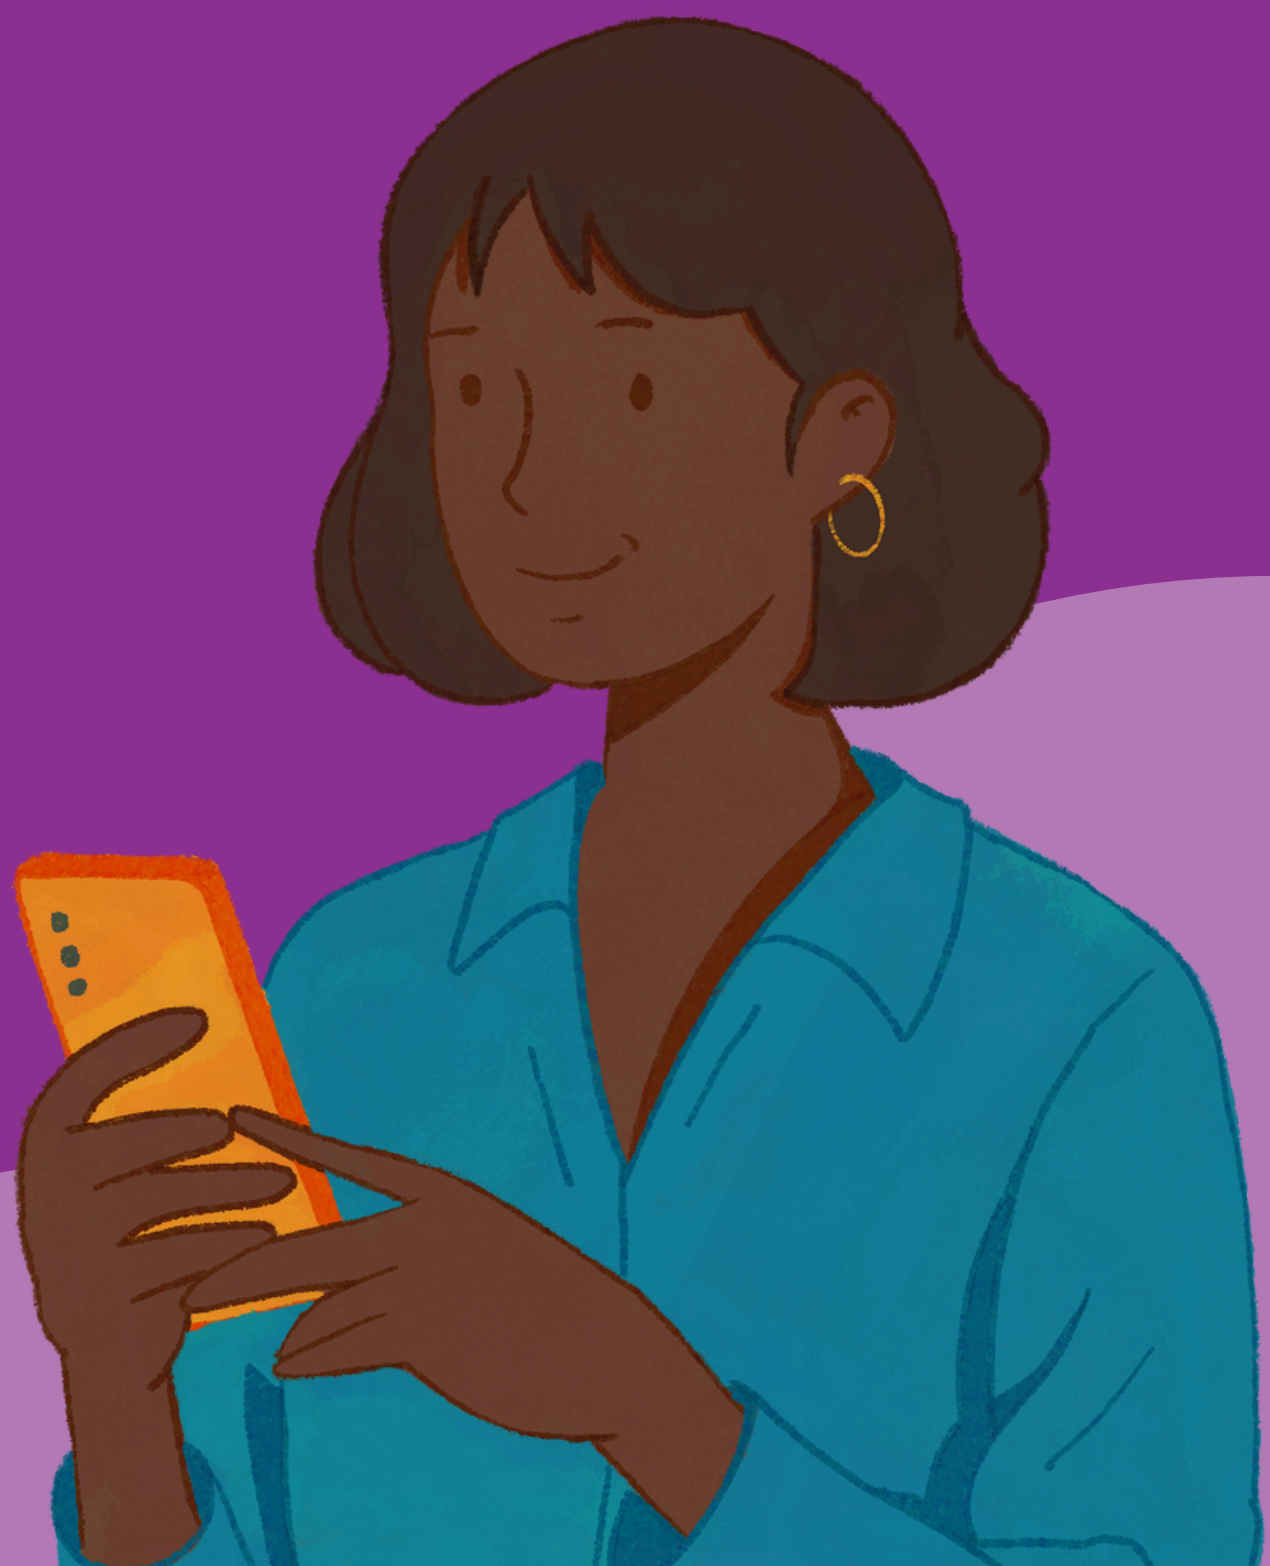

- Washing, dressing, or preparing meals
- Filling in forms or managing money
- Providing emotional support or companionship
- Making phone calls or arranging appointments

By sharing your views, you can help shape the decisions made by local councils and policymakers, so that carers like you get the right support.

All responses are 100% anonymous. That is a Survey of Carers guarantee.

The views expressed are those of the author(s) and not necessarily those of the NIHR or the Department of Health and Social Care.
